

THE ANNUAL
PATROON SOCIETY
AT RENSSELAER

Rensselaer

SINCE 1953, THE ANNUAL PATROON SOCIETY AT RENSSELAER has provided a vital source of leadership, generosity, and support for generations of Rensselaer students. Patroons are leaders in science, industry, education, finance, government, and public affairs, and define their role as leaders in the Rensselaer community. They bring distinction to the university through their individual lives and work and understand the power of their philanthropic partnership with Rensselaer.

At every turn in our history, Patroons have played a key role in our success. The past ten years have been no exception. Gifts from our members in the Annual Patroon Society have shaped and fueled our dramatic transformation at Rensselaer. The generous and continued support from Patroons each year help Rensselaer students receive needed financial aid and scholarships, experience our award-winning student programming, participate in undergraduate research, collaborate with our talented and dedicated faculty, and so much more.

Rensselaer has remained a place for the very best students and faculty, as well as rigorous standards of teaching and learning, for nearly two centuries. How we steward our university will tell our future. The continued leadership support of the Annual Patroon Society is critical if we are to sustain the Institute for the next two centuries—and beyond.

PHILANTHROPIC GIFTS FROM ALUMNI, FRIENDS, PARENTS, STUDENTS, FACULTY, AND STAFF HELP ENSURE THE SUCCESS OF OUR EDUCATIONAL MISSION AT RENSSELAER.
